

Another big achievement towards self-reliance in fertilizers

After Nano Urea, the Nano DAP gets approved

PM calls it an important step towards making life easier for farmers

Posted On: 05 MAR 2023 9:44AM by PIB Delhi

After the Nano Urea, the Government of India has now approved the Nano DAP as well. The Prime Minister, Shri Narendra Modi has said that this decision is an important step towards making life easier for our farmer brothers and sisters.

In a reply to the tweet by Union Minister of Chemicals and Fertilizers, Dr Mansukh Mandaviya, the Prime Minister tweeted;
